

CHS Ultimate Volunteer Opportunities

We thank everyone in advance for their commitment to helping support and continue to grow the CHS Ultimate Teams. We also recognize that volunteering takes forms in many ways so we are grateful for anything and everything our families provide! Below is just a list of opportunities we have identified where help is needed but welcome any ideas and ways we can continue to grow.

Food Event Committee

Coordinates and supports the Coach and Player Kick Off Pizza Party and the end of the season Player/Family Picnic with support of the Board and funded by the CHS Ultimate. We would love to have a lead in this and also support to help organize!

Lead Organizer _____

Support Committee _____

Fundraising Committee

Coordinates and supports fundraising for the teams! Past fund raising has included meat raffles, parking cars for the Liberty Block Party, sending Donation Request Letters...we are very open to ideas and thoughts on more opportunities for our players to be in the community and your support!

Lead Organizer _____

Support Committee _____

Tournament Support

Helping to make sure the team tents and snacks make it to the tournaments. This could mean bringing these items or helping to coordinate with someone else to bring them. CHS Ultimate does provide the snacks and the tents we just need help getting them there for each of the teams. This is only for tournaments, not weekly games.

Middle School Support _____

Boy's High School _____

Girl's High School. _____

Monetary Support

CHS Ultimate is a self funded community club that is open to all area students. Any donations are always greatly appreciated and will be used to support the teams in many ways including opportunities to participate in additional tournaments and hopefully host our own tournament soon in the future. If this is an option for you please contact Patrick Howard our Board Treasurer.

Thank you for any help and support you are able to give!

Our teams greatly appreciate you!!!!
